

US.2nd.Armored-Division

{tab=Objectives}

This Unit has changed from the 3rd Armor to the 2nd Armor.

"Hell On Wheels "

Primary Objectives: Utah Beach (400 points)

Points are awarded at 1100hrs (200) and 1200hrs (200) for a total of 400 points.

Land at Utah Beach with the 4th Infantry Division and provide covering fire support with your Tank Regiments and secure a beachhead.

After securing Utah beach move inland with your 32nd Tank Regiment, 33rd Tank Regiment and 36th Mechanized Infantry Regiment and secure Causeway #2. Place your 899th Tank Destroyer Battalion into choke points to defeat any German Armor attempting counter attacks.

Eliminate German resistance in your sector and proceed inland with the 4th Infantry Division then link up with elements of the 101st Airborne and French Resistance.

You will be securing the northern flank of the invasion. SHAEF G-2 (Intelligence) reports Utah Beach is defended by German 709th Infantry-Division. SHAEF G-3 (Operations) plans for the 3rd Armored Division with your 32nd, 33rd Tank Regiments and 36th Mechanized Infantry Regiments to hit the Tare Green and Uncle Red sectors of Utah Beach. Attacking with you will be the three Infantry Regiments, 8th, 12th and 22nd along with the 237th Combat Engineers Battalion of the 4th Infantry Division.

SHAEF G-3 reports the French Resistance supported by the Free French No. 10 Commando unit will be seizing the town of St. Mere Eglise which is on your southern flank. SHAEF G-2 reports elements of the German 1058th Regiment/91st Luftlande-Division are stationed near St. Mere Eglise.

Move up to take your secondary objectives and "Spearhead" the allies to victory!.

Secondary Objectives: Causeway #2 (150 points)

Points are awarded at 1130hrs (50), 1230hrs (50) and 1330hrs (50) for a total of 150 points.

Move inland with the 4th Infantry Division and secure the Causway#2 then link up with the US Airborne, French Resistance and Free French No. 10 Commandos.

Once the beachhead at Utah and the access of Causeway #2 is secure, you will proceed inland under direction of the Allied Command to secure other objective areas.

G-2 (SHAEF Intelligence Office) reports elements of the 91st Luftlande-Division are stationed at the Airfield. With other unknown supporting units. Expect the heavy presence from the German 21st Panzer Division and German Anti-Tank forces in your area.

Other Critical Objectives:

The Airfield Fuel Tank (200 points)

Points are awarded at 1330hrs (50), 1430hrs (50) and 1530hrs (100) for a total of 200 points.

Colleville (German HQ) (500 points)

Points are awarded at 1400hrs (50), 1500hrs (100), 1600hrs (150) and 1700hrs (200) for a total of 500 points.

Press forward and take objectives!

{tab=Requirements}

2nd Armor contains Tanks and Infantry

You do not need a tank or be a tanker to join the 2nd Armored Division! The 36th Mechanized Regiment of the 2nd Armored Division is Infantry which is referred to as Cavalry and may be mounted or dismounted on armored vehicles. The 899th Tank Destroyer Battalion of the 2nd Armored Division is an infantry unit designed to destroy German armor!

Calling all Tankers....

If you have a Tank, are building one, or otherwise and need a Tank crew, Please contact: Bill Bailey willimoalso@aol.com We are also looking for Tanks without crews to have some of our Elite, physically challenged players 'man the guns!'. Let Bill know if you have room.

Read all tank rules for Tankers and Anti-Tank on this site!

Join the 2nd Armored Division as a Tanker, Mechanized Infantry or as a Tank Destroyer!
